

POST AND RAIL FENCING

**Durability class 1
Australian hardwood
(25 years +) in ground
Available pre-oiled
OSA Quality assured
Custom designs**

Outdoor Structures Australia's (OSA) "Heavy Duty" post and rail fences and bollards are made tough and easy to assemble. OSA is passionate about producing high quality weather exposed post and rail timber fences and bollards suitable for the extreme Australian climate.

Every post is accurately and neatly mortised with a CNC machine ensuring you have a durable and attractive finish.
