

# Outdoor Structures Australia

Producing quality timber products for local and interstate markets, Outdoor Structures Australia has gained invaluable practical experience, enabling us to provide total solutions for any timber need.

**PRE-FABRICATED PARK SHELTERS**

## **BOLLARDS & LANDSCAPING**

OSA has been manufacturing its 'Heavy Duty' range of Bollards, Traffic Control Products and Fencing for many years.

The Pioneer Posts can be supplied with decorative tops if required. Stainless Steel caps are also available.

OSA makes a range of simple but effective skillion roofed shelters called the Lindsay range.

*(Left Image - single and multiple)*

If you are looking for a Gable roof shelter, the Gregory range provides another simple option.

*outlasts and outperforms*

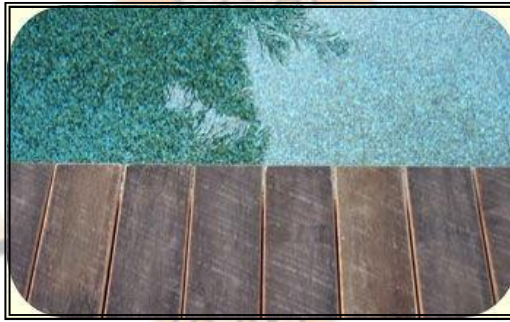

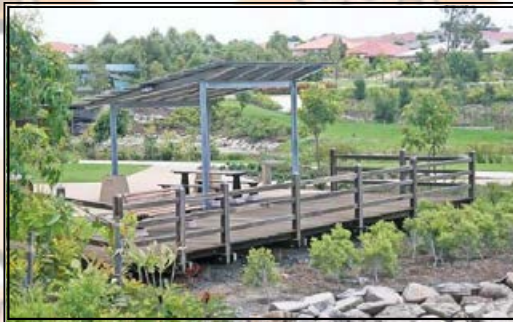

# Outdoor Structures Australia

## BOARDWALKS & COMMERCIAL DECKING

Outdoor Structure Australia's largest selling product range is its hardwood timber boardwalks. Many types of Boardwalks available. Boardwalk kits can be supplied to a customer's design using our boardwalk components, In conjunction with DeckWood or LifePlus Decking!

## PARK & STREET SETTINGS

With the market for local government moving to steel and aluminum frames (avoiding the cross-bar frequently associated with timber tables) Outdoor Structures Australia presents the simple, yet effective Flinders Table Design providing stylish and economic solution to your construction.

*LifePlus® Decking*

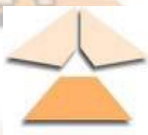

*Flinders Outdoor Table*

*Lawson Range*

*Blaxland BBQ Table*
